Property

We are delighted to bring Scatterbrook House to the market by the reputable local developers, Orchard Homes.

This attractive home enjoys an elevated position within the village, far reaching views, a generous garden of about 0.35 acres and a well conceived floorplan that fits the requirements of the modern consumer. A welcoming entrance hall sets the tone for light and space throughout the house and the main receptions run off it. The heart of the home is the 'live-in' style kitchen/dining/family room - a triple aspect space with a dining area, lounge area and a fabulous outlook through the bi-folds over the terrace and garden beyond. There is a formal sitting room with a fireplace (adaptable for an open fire or woodburning stove), a study for those working from home as well as a separate boot room/utility.

Upstairs there are four double bedrooms, each with extensive fitted wardrobes, two luxurious en-suites as well as a family bathroom (with separate shower).

There is a double car barn and parking for a number of vehicles to the front of the property. There is a terrace and a generous garden to the rear- this is both level and private.
